INDEX OF SUBJECTS AND AUTHORS

Acquired resistance, allergy, antibodies and tissue reactivities, Relationship of, to the components of the tubercle bacillus, 564

Active cases, hospitalization of all, Effect on tuberculosis morbidity of a complete community survey with, 254

Allergic hypersensitiveness, local, to tuberculin, Passive transfer of, 305

Allergy, acquired resistance, antibodies and tissue reactivities, Relationship of, to the components of the tubercle bacillus, 564

American Board of Internal Medicine, Report of the committee on coöperation with, 427

American Trudeau Society:

Report of the Missouri-Indiana-Illinois Therapy Conference, 93

Report of the Committee on Clinic Procedure, 426

Report of the Committee on Coexistent Syphilis and Tuberculosis, 427

Report of the Committee on Coöperation with the American Board of Internal Medicine, 427

Report of the Committee on Evaluation of Laboratory Procedures, 428

Report of the Medical Advisory Committee on Health Education, 432

Report of the Committee on Medical Information, 432

Report of the Committee on Medical Program, 433

Report of the Membership Committee, 434

Report of the Committee on Pan-American Relations, 434

Report of the Committee on Postgraduate Medical Education, 435

Report of the Committee on Rehabilitation, 436

Report of the Committee on Revision of Diagnostic Standards, 438

Report of the Committee on Sanatorium Planning and Construction, 438

Report of the Committee on Therapy, 439

Report of the Committee on Tuberculosis among Hospital Personnel, 443

Report of the Committee on Tuberculosis in Industry, 446

Report of the Committee on Tuberculosis in Mental Hospitals, 448

Report of the Committee on Undergraduate Medical Education, 456

Officers, Executive Committee, Council and Advisory Board, 1946–1947, 597

Deaths during the year 1945–1946, 598

Report of the 1946 annual meeting of the California Trudeau Society, 599

Postgraduate Course in Thoracic Diseases. University of Wisconsin Medical School, Madison, Wisconsin, March 3 to 8, 1947, 611

Antibodies, acquired resistance, allergy, and tissue reactivities, Relationship of, to the components of the tubercle bacillus, 564

Antimony compounds in tuberculosis, 299

Apical tuberculosis, 1

Aronson, Joseph D. Discussion: BCG vaccination in hospitals and sanatoria of Saskatchewan, 339

Artificial pneumothorax and pneumonolysis, 376

Ascorbic acid, urinary, in tuberculous patients, Plasma and, 74

Autolytic tuberculin, 401

B-complex vitamins, Synthesis of, by tubercle bacilli when grown on synthetic media, 559

Bacilli, tubercle, Comparison of the effect of p-amino phenyl sulphone compounds in vitro and in vivo on, 295

——, ——, Effect of water soluble lipids on the growth and biological properties of, 204

——, ——, Effects of intranasal inoculation with, on vitamin A stores and tissues of mice and rats, 84

——, ——, Retardants to the growth of, 179

——, ——, Synthesis of B-complex vitamins by, when grown on synthetic media, 559

Bacillus, tubercle, components of the, Relationship of acquired resistance, allergy, antibodies and tissue reactivities to the, 564

——, ——, History of H37 strain of, 62

——, ——, R1 strain of, 51

——, vole, (Wells), Vaccination with the, 41

Bacteriostatic activity, Relation between chemical structure of sulfones and their, 287
BCG vaccination in hospitals and sanatoria in Saskatchewan, 325
Birds, wild, captive, Tuberculosis in, 389
